## Entities Affected

The entire University community, guests and visitors.

## Background

This regulation establishes the process and the appeal procedures for which the CSA and HR establish disability eligibility criteria, makes disability eligibility determinations, and establishes appropriate Reasonable Accommodations.

## Procedures

### **Otherwise Qualified Individual with a Disability Determination**

An individual who may require a Reasonable Accommodation(s) must first be determined as an Otherwise Qualified Individual with a Disability under the Americans with Disabilities Act of 1990 and Amendments Act of 2008 (“ADA”) or Section 504 of The Rehabilitation Act of 1973, as amended (“Section 504”).

For students or employees to be evaluated for a determination as an Otherwise Qualified Individual with a Disability under such laws and this regulation, employees or students are required to provide the following information.

- **Students:** a completed application for services available at:

<http://accessibility.eku.edu/application-services>

and

- documentation in accordance with the guidelines set forth by the CSA. The CSA documentation guidelines can be obtained at the CSA, Whitlock 361, or found on the CSA webpage at:

<http://accessibility.eku.edu/services-0>

- **Employees:** a completed application for job accommodation(s) available at:

<http://hr.eku.edu/job-accommodation-0>

and

- required disability documentation.

### **Documentation**

Documentation kept on file will remain confidential, to the extent required by law. Pertinent aspects of the information will be disclosed for discussion for determining appropriate accommodation(s). The employee or student may be requested to sign a release of information for this discussion to take place.

### **Reasonable Accommodation Discussions (Interactive Process)**

Once an employee or student is determined as an Otherwise Qualified Individual with a Disability under ADA and/or Section 504, Reasonable Accommodation(s) will be discussed

with the employee or student.

During the Reasonable Accommodation process the University ADA/Section 504 Compliance Officer or representative may communicate with appropriate offices and individuals at the University before a determined Reasonable Accommodation can be fully implemented. The ADA/Section 504 Compliance Officer or representative will discuss possible Reasonable Accommodation(s) with the employee's Supervisor or Unit Administrator.

The University ADA/Section 504 Compliance Officer or representative will discuss possible Reasonable Accommodation(s) with the student's course instructor or, if appropriate, the Department Chair or Program Administrator.

Other professionals, including the ADA/Section 504 Coordinator, may be consulted if necessary to make a determination if the proposed accommodation is appropriate.

See "Responsibilities" for each participant's role in the process.

### **Reasonable Accommodation Determination**

The determination of a Reasonable Accommodation will be made as soon as it is feasible, after the application for job or academic accommodations request and appropriate disability documentation have been submitted to and reviewed by the University ADA/Section 504 Compliance Officer or their representative and any other individuals identified as appropriate.

### **Appropriate Reasonable Accommodation**

An accommodation is considered appropriate and reasonable if the accommodation is feasible and reasonable in its alternative method or format, and does not impose an undue burden or hardship on the University. Reasonable Accommodation(s) must not modify essential job functions or the academic requirements that are essential to the academic program, practice or standard of instruction.

### **Accommodation Modifications**

An employee or student may make a written request to the University ADA/Section 504 Compliance Officer to modify an established Reasonable Accommodation or request an alternative accommodation. The request will be considered using the procedure described above.

### **Guests and Visitors**

Guests and visitors of the University's campuses, facilities or events are encouraged to contact the CSA, HR, or the event sponsor at least ten (10) Working Days in advance of the event to request accommodation arrangements.

### **Guests and Visitors in Need of American Sign Language (ASL) Services**

Guests and visitors in need of ASL services should complete the request form found at

<http://aslie.eku.edu/request>.

### Grounds for Appeal

In accordance with the appeal process set forth below, an employee or student may appeal the determination that they are not eligible as an Otherwise Qualified Individual with a Disability or a Reasonable Accommodation determination using the Appeal Process outlined below on the following grounds:

1. There was a substantial failure by the University ADA/Section 504 Compliance Officer or representative to comply with this regulation so as to deny a fair review of the request;
2. The decision of the University ADA/Section 504 Compliance Officer or representative was not supported by the evidence.
