Credit for Non-Collegiate Instruction

Policy Statement

Credit may be awarded to students from non-collegiate sponsored instruction and training programs provided an articulation agreement exists between the University and the institutions or organizations providing the instruction. Articulation agreements must be officially approved according to the University policy for such agreements and must be signed by both EKU and the collaborating institutions/organizations. A copy of the signed agreements must be on file in the Office of the Provost (original), the Office of the Registrar, and the Dean's office of the College which initiated the agreement. Articulation agreements must be in place prior to the non-collegiate instruction or training in order for credit to be considered.

Entities Affected by the Policy

- Colleges
- Departments
- Students
- Office of the Registrar

Policy Background

Employment in certain fields necessitates intensive basic and advanced training apart from or in addition to college education or degrees. In some cases such instruction or training contains academic content that corresponds to or is equivalent with courses taught at EKU. Further, these non-collegiate experiences may be taught by individuals who meet the University's criteria for qualified faculty. Therefore, the University deems it appropriate to consider for the awarding of credit non-institutional credit for such experiences provided that the academic content is evaluated by qualified EKU faculty and that the University has an official articulation agreement with the institution(s)/organization(s) offering the training.

Procedures

Initiating the Request for Credit

The Department initiates the request for credit on behalf of the student by submitting a completed and signed Credit for Non-Collegiate Instruction Form (AA 00102). The form must be accompanied by the appropriate documentation, such as a certificate of completion or similar, and a verification letter on the non-collegiate entity's letterhead and signed by the designated authority.
Approving the Request for Credit

The Credit for Non-Collegiate Instruction Form is submitted for approval in the following order:

- College
- Graduate Dean (if appropriate)
- Provost/designee

Posting the Academic Credit

Once all approvals are secured, the Credit for Non-Credit Form is sent to the Office of the Registrar. This office will post the credit on the student’s transcript as directed on Form AA 00102. The Office of the Registrar will keep the original Form AA 00102 and will distribute copies of the completed form to the College, the Department, and the student.
