Authorization for Regulations

Policy Statement

Eastern Kentucky University acknowledges the statutory authority of its Board of Regents to adopt University policies (both academic and non-academic) that govern the University. It is the responsibility of the President, the administration, and the faculty to administer and implement these policies. Further, it is the expectation of the Board of Regents that the President and the administration will develop a system of regulations that implement the policies or that manage routine operations of the University.

Entities Affected by the Policy

- Entire university community, including all campuses and extended sites

Procedures

Procedures for originating, developing, approving, and implementing University regulations shall follow those established in the Policy on Policies (1.1.1P).

Definitions

Regulation

A standard or statement that either 1) articulates procedures or reporting requirements related to implementation or compliance with University policies or 2) addresses matters not specifically addressed in such policies. Does not require Board of Regents approval, but requires presidential approval. Regulations may or may not apply institution wide.
