Policy Statement

EKU will award credit to individuals who have successfully completed military service school courses, as well as award credit for Military Occupational Specialties (MOS's), based upon recommendation of the American Council on Education (ACE). To receive academic credit at EKU, military credits must be evaluated by ACE with a lower level or upper level college equivalency.

Students may receive Military Science and Leadership course credit and/or credit for PHE 180 for having completed Basic Training (BT) and Advanced Individual Training (AIT). PHE 180 may be used to satisfy the Wellness graduation requirement.

Students must submit a copy of their military transcripts or DD Form-214 (Discharge Verification Certificate) through the EKU Veterans Center. Students can have a copy of their ACE transcript sent from their respective service education centers to the EKU Veterans Center.
